Guidance on Final Evaluations under the EP

Presented by: Susan Legro, TERG Member
Date: March 14, 2024

Guidance Notes throughout the project cycle

Overview

- Who the guidance applies to at present
- What you should know
- Resources to help

Final Evaluation Guidance – Changes under the EP

- Final evaluation should be independent (external)
- Final evaluations should use a common measurement scale
 - Six-point rating scale (HS, S, MS, MU, U)
 - Many IEs already use this scale
 - Consistent with other climate funds

Applying the guidance

- Who must apply the EP to final evaluations?
 - Projects approved at or after the October 2023 AFB meeting
- Who is encouraged to apply the guidance?
 - Everyone
